

Data Privacy Protection

Thank you for your visit to our website and your interest in VOMATEX and our range of products. In this context we would like to state that we take the protection of your private data very seriously, because we want you to have a carefree experience with VOMATEX.

As our website contains links to other domains in the internet we want to point out that this data privacy policy applies only to our domain. In case you are routed to pages of other domains, please inquire there about how your data are handled.

Following we will inform you about the way we handle data, which you entrust to us.

Information on data privacy

The following regulations describe the type, scope and purpose of collecting, processing and utilizing personal data by VOMATEX.

We consider the security of your personal data, such as name, address, telephone number or e-mail, an important issue that we take into account in our business processes. We operate our activities in accordance with the German and European laws for data protection and data security. Thus the acquisition and processing of personal data follows legal regulations.

We will not collect any personal data via our website without your consent. You alone decide whether you want to disclose such data, e.g. as part of an inquiry or an order.

Needless to say, we will neither sell your personal data to third parties nor use them commercially in any way.

Inventory data

When you get in touch with VOMATEX (e.g. by e-mail or our contact webpage) your personal data will be stored and processed exclusively for fulfilling your actual and future requests.

Without your explicit consent or a legal basis, your personal data are not passed on to third parties outside the scope of fulfilling this contract. For goods to be delivered, for instance, your name and address must be relayed to the forwarder of the goods.

Duration of storage

After expiry of deadlines as per tax-related and commercial regulations your personal data are deleted and/or blocked unless you have expressly consented to their further use.

Moreover, we will erase and/or block your data immediately when you revoke your approval as well as in case of a justified objection against processing.

Withdraw of approval

Only with your explicit consent certain processes of data processing are practicable. You can withdraw the approval to use your data at any time. Up to the point of revocation, data processing shall remain legal.

Your rights

You have the possibility of verifying the observation of the data protection specifications. For this purpose you have the following rights:

- Right to demand information
- Right of access and refusal
- Right of correction, erasure and restriction
- Right to data portability

If you have any questions about your rights with respect to processing of your personal data, you can get in touch with VOMATEX. We are available in case of request for information, suggestions or complaints. Moreover, you have the right to get in touch with the competent regulatory authority at any time. On request we will let you know – as soon as possible, in writing and in accordance with the applicable law – whether and which personal data about you we have saved. If incorrect information was saved despite our efforts on the behalf of data integrity and timeliness we will correct these at your request. Please send your requests to: data-protection (at) vomatex.de.

Automatically collected information

When you access our website, information may be collected automatically occasionally (thus not by registration) which cannot be associated to a certain person (such as Internet browser used and operating system; domain name of the website you came from; number of accesses, average stay, accessed pages). This information may be used to determine the attractiveness of our website and to improve the contents.

Use of YouTube plugin

To embed videos on our website we are using plugins from YouTube LLC (represented by Google Inc.). When you use our website, a connection is established to the YouTube servers and the plugin is displayed. This results in information being transmitted to the YouTube servers about which of our pages you have visited. If you are signed in to a YouTube account, YouTube records this information and allocates it to your personal user account. The use of the plugin also results in information being recorded in relation to your personal account when e.g. the start button of a video is clicked. You can prevent this information being recorded by logging out of your YouTube account and other user accounts with YouTube LLC and Google Inc. before using our websites and deleting the relevant cookies for these companies. You can find further information on data processing and tips on data protection from YouTube (Google) at: <https://www.google.de/intl/en-GB/policies/privacy/>.
